2-in-1 True Wireless Stereo (TWS) speaker

Outstanding audio to spread your music all around

If you are craving for the convenience of high fidelity sound in a single box, the KBS-800 portable speaker from Klip Xtreme will completely satisfy your expectations. This speaker plays your favorite tunes with crisp and powerful 360° sound in one device, and also offers TWS (True Wireless Stereo) capability to spread your music all around by splitting into two different units with a total power of 20 watts. Its built-in high-capacity lithium battery allows for up to 14 hours of playtime on a single charge. It features a sturdy construction complemented with the IPX7 waterproof resistance to be submerged 1 meter in water. This portable speaker integrates the latest wireless technology to pair easily with virtually any Bluetooth® enabled device and lets you switch from listening to music to taking hands-free phone calls seamlessly through its built-in microphone. Carry it everywhere with its integrated handle and enjoy the versatility this 2-in-1 surround sound speaker has to offer.
