

# VoxPro-S Stereo business headset with USB interface

Stereo USB headset

Noise isolating cushion & mic

Skype for Business & UC platform compatibility

In-line control capsule

## Fit for the high-performing business environment

Now you can experience superior audio performance with the simplicity of a single USB plug-and-play connection. This high-fidelity USB computer stereo headset features a rotating noise-cancelling microphone and convenient in-line answer/call button, volume and mute controls. Its lightweight design, adjustable headband along with the soft leatherette ear cup cushion provide long-lasting comfort, whether on a conference call or while catching up with friends.

### Highlights

- Stereo headset with in-line control capsule to easily handle all your calls
- Double ear-design blocks out noise in open workspaces and offices during desktop calls
- The cardioid noise-cancelling microphone reduces background noise in busy or crowded work environments
- Compatible with Skype for Business and other leading UC (Unified Communications) platforms
- Lightweight and unobtrusive design, for greater productivity and concentration
- The microphone arm can be rotated 270 degrees to find the perfect angle that works for you
- Constantly delivers clear sound on both ends of the call
- Built to last with high-quality materials
- It connects to your computer via a USB interface

## Technical specifications

KCH-911	
<b>Device</b>	
Type	Stereo headset
Driver unit	Φ40mm
Maximum power output	20mW
Frequency	150 - 8000Hz
Impedance	100Ω±20%
Sensitivity	95±3dB for 100mV a 1kHz
ASP (Acoustic Shock Protection)	Fixed-ASP-2 solution Maximum allowed acoustic pressure at DRP < 118 dB SPL, A-weighted
<b>Microphone</b>	
Dimensions	Φ4x2mm
Directionality	Cardioid (noise cancelling)
Frequency	100-8000 Hz
Impedance	2200 Ω
Current consumption	<500 μA
Sensitivity	40±3dBPa @1kHz (ref: 0dB=1V/Pa)
Boom rotation	± 270 degrees
<b>Connectivity</b>	
Connection type	USB
System requirements	Available USB port
Compatibility	- Windows XP, Vista, 2000 - Windows 7, Windows 8, Windows 10 (or higher) - All versions of Mac OS X (or higher)
<b>Additional information</b>	
Dimensions	8.2x6.6x2.0in
Weight	3.5oz
Cable length	3ft
Operating temperature	32°F-104°F
Operating humidity	< 90 % relative humidity
Material	ABS /PC thermoplastic, leatherette
Warranty	One year
