

# Multi-port compact card reader

USB 2.0

Plug and play

Multiple memory cards supported

480Mbps transfer rate

1-year Warranty

This smartly designed Compact Card Reader from Klip Xtreme® offers you the mobility to take your digital images and data anywhere with you! Combining four different high-speed ports, the KCR-210 reads and writes multiple media cards simultaneously. It works with many of the most popular digital media formats. This advanced multcard card reader offers you the convenience of viewing and editing files directly on the reader, in addition to downloading them at a speed of up to 480Mbps/seconds.
