Multimedia Keyboard and mouse duo

## The perfect way to pair comfort with productivity

Complement your PC or laptop with this sleek and fashionable keyboard and mouse duo. Equipped with eighteen hot keys, the keyboard gives you access to movies, music, slides presentations, games, or browse the internet with a single touch of a button. Its ergonomic keycap design is soft to the touch, which also provides a more responsive and stable typing experience than the traditional keyboard switch.

The companion mouse, armed with a high definition sensor, delivers flawless tracking on virtually any surface, while its ambidextrous design allows you to use it comfortably in either hand.

## Highlights

- 18 hot keys for instant access to web, e-mail and other applications
- The battery-operated keyboard and mouse can be operated up to ten meters from the monitor.
- Compatible with Windows®, Mac OS or above
- Convenient 2.4GHz nano receiver
