Everlasting audio performance in a contemporary design

Experience the best audio with the impressively looking loudspeaker system KLS-650 from Klip Xtreme. This music machine features a sleek design and a heavy duty handle that makes it extremely portable. It streams music from any Bluetooth®-enabled device within a range of up to 33 feet from the audio source. Non-Bluetooth® audio devices can be connected via an RCA port after the loudspeaker provides two 1/4 inch input jacks for wired microphones. The LED display, colorful LED lights and the handheld wireless microphone make this audio system an essential addition to your party or entertainment room.
