Powerful audio and superior performance

Discover a new experience of magnificent audio and colorful display with the **KLS-901** Loudspeaker System from KlipXtreme. With 3000 watts of music power output, this loudspeaker system packs two 12-inch subwoofers and two 1-inch high frequency drivers into a single unit, making this a powerful and versatile music machine. Built-in 4A rechargeable battery which can be used for up to 9 hours. It pairs with virtually any Bluetooth®-enabled device to stream music wirelessly up to 98 feet away from smartphones, tablets, laptops or any other compatible audio source. The loudspeaker also features two 1/4inch input jacks for a guitar and a wired microphone, a digital LED display, a 3.5mm auxiliary input, and a USB port. As an extra functionality the unit offers a built-in power bank in one of the USB ports to keep your devices always charged and ready to go. The wireless microphone will also be part of your entertainment. The cabinet enclosure is rough and rugged, while the speakers are protected by a metal grill, keeping your sound secure whether on the move or on the stage.

Highlights

- 3000-watt PMPO of distortion free, and powerful stage quality sound
- Built-in 4A rechargeable battery which can be used for up to 9 hours
- Works with your favorite Bluetooth® V5.0-enabled devices
- Top panel with illuminated volume wheel creates a unique atmosphere
- Dynamic LED illumination effects, with on/off capability
- 6-channel graphic equalizer to adjust frequency bands at your desired level
- Microphone and guitar inputs for additional entertainment
- Integrated audio playback with USB flash and MicroSD™ memory card slots
- USB port works as a portable power bank to charge your devices when you are on the move
- Built-in heavy duty handles on the side and back panels for easy transport
- Convenient LED display
- Built-in radio tuner
- Includes a high-quality wireless microphone and a remote control
- One-year warranty

Technical specifications

Device	
Peak Maximum Power Output (PMPO)	3000W
Reference RMS power	200W
AC input	110V-240V(±10%) 60/50Hz (autosensing)
DC output	5V/1A
Controls	GT. Vol., Mic. Echo, Mic. Delay, Mic. Vol., Master volume, EQ controls, Mode, BT, Light, Repeat, Switch ON/OFF, Prev., Next, Scan/Tune-, Play/Tune+
Speaker	
Driver unit	Two 12in + Two 1in
Reference RMS power	120W+80W
Frequency	Subwoofer: 20Hz-100Hz Speakers: 120Hz-20KHz
Impedance	12in: 4Ω 1in: 8Ω
Sensitivity	89dB±3dB
Signal to noise ratio	≥70dB
Total Harmonic Distortion (THD)	1kHz, 0dB (±10%)
Microphone	
Connectivity	Wireless (included) and wired compatible
Directivity	Unidirectional
Frequency	50Hz-13kHz±3dB
Impedance	600Ω
Sensitivity	125dB(-95dbm)
Connectivity	
Connection type	Bluetooth® V5.0 compatible
Wireless RF frequency	2.4GHz-2.480GHz
Wireless range	98ft (linear with no interference)
Audio input	AUX 3.5mm stereo, USB and MicroSD™
Additional inputs	Two 1/4in mic/guitar inputs
Battery	
Type	12VDC/7A Lithium battery
Charging time	10 hours
Run time	5.5 hours at 75% volume, 9 hours at 50% volume
Standby time	24 hours
Battery charging method	Direct charger
Additional information	
Dimensions (L, W, H)	15.7x15.7x46.4in
Weight	48.5lb
Cable length	3.2ft
Warranty	One year
Highlighted features	
Lighting effect	LED (On/off capability)
Handles	Yes
Display	LED
Tuner	Built-in FM antenna
Power bank for device charging	Yes, through USB output (with unit in ON position)
Equalizer	6-channel graphic equalizer
Microphone effects	Echo adjustment
