Classic and functional for any season

With a simple and functional design the KNB-406 laptop backpack from KlipXtreme features a spacious and padded main compartment with an interior divider to properly accommodate a 15.6in laptop, as well as textbooks, notepads and everyday gear. A multifunctional utility organizer, plus a zippered mesh pocket will help to keep your stationery items safe and well organized. The backpack is also equipped with one front zippered pocket to carry those articles you need to have close at hand. The ergonomically padded back panel provides lumbar comfort, and its contoured shoulder straps will let you have a more pleasant traveling experience wherever you go. Elaborated with durable materials, this backpack offers all the comfort with a minimalist style.

Highlights

- Protection: Fully lined and padded main compartment with interior divider, suitable for laptops of up to 15.6in
- Organization: Front zippered pocket and multifunctional utility organizer with a mesh zippered pocket designed to keep your stationery items safe and well organized
- Convenience and comfort: Lightweight and functional design with an integrated handle, padded back panel and adjustable ergonomic shoulder straps to carry the backpack easily on your back
- Material: Premium, highly-durable protective polyester and high quality lining
- Warranty: 1 year
