## When protection meets style

Be the first one to enjoy Klip Xtreme's innovative line of high-end travel gear with the **KNB-900**. This contemporary backpack has been especially designed having factors like protection and durability in mind, as well as an ample storage space. The frequent traveler will appreciate the TSA separate padded compartment, which opens flat up to 180 degrees to provide quick accessibility to your laptop in the security line, without even having to take it out. Give your personal items extra protection by keeping them safely in the multifunctional main compartment, featuring multiple pockets and one 3-section panoramic zippered mesh pocket. The backpack also features an upper zippered pocket with a convenient cable pass-through, and a bottom pocket for your on-the-go articles. Carry a sweater, jacket or a yoga mat with the two front adjustable multi-use straps. Attach it to your carry on with its convenient pass-through strap, or wear it on your back with its padded and ergonomic shoulder straps. All zipper closures, as well as the high-density nylon fabric are water resistant, giving this backpack one more essential reason to take it with you to your next adventure.

## Highlights

- **Exclusively designed by Klip Xtreme**
- **Protection:** Elaborated with highly-resistant materials, reinforced zippers and seams, and a padded compartment suitable for laptops of up to 15.6 inches. The three-section multifunctional zippered and puncture-resistant mesh compartment will hold your personal items secure and visible.
- **Convenience:** TSA checkpoint-friendly padded compartment, which opens up to 180 degrees to provide quick accessibility to your laptop in the security line when travelling.
- **Organization:** Features a soft-lined pocket for a tablet or other small electronics. Multiple zippered interior pockets for stationery items and extra space for clothes or bulky articles. Top zippered pocket with a cable pass-through. Bottom zippered pocket for on-the-go items.
- **Comfort:** Make it completely portable by attaching it to your carry on with its convenient pass-through strap, or wear it comfortably on your back with its adjustable ultra-padded ergonomic shoulder straps. Carry a jacket or yoga mat securely with the multi-use straps crossing at the front.
- **Material:** Premium, high-density 1680-denier nylon and ultra-soft 210-denier lining. The fabric and zipper closures are water resistant. The metallic zipper pullers contribute to durability and enhance the backpack elegant style.
- **Warranty:** Two-year limited warranty
