Abacus

Full-size numeric keypad

Improved productivity, made cleverly simple

The Klip Xtreme **KNP-100** numeric keypad is perfect for typing numbers and playing games. Its slim and compact design makes it easy to carry and convenient to use on any desktop. By adopting the latest USB drive plug-and-play technology, this keypad gives users the instant advantage of a 19-key external numeric keypad that will allow them to confidently start crunching numbers like a pro!

Highlights

- Full-size, 19-key standard layout
- Large numeric keys for increased typing accuracy and speed
- USB connectivity makes it compatible with a wide range of devices
- The number lock feature is great for those working on spreadsheets, accounting or financial applications
- Alternate key commands to quickly navigate through documents, menus or webpages without a mouse
- Slim, sleek and lightweight for easy portability
- Plug and play functionality, no configuration required
- Compatible with computers equipped with a USB port, operating on a Windows or Mac OS platform
