

LCD/LED

triple monitor mount

Heavy-duty desktop base

Articulated joints

Cleverly engineered for maximum flexibility and productivity

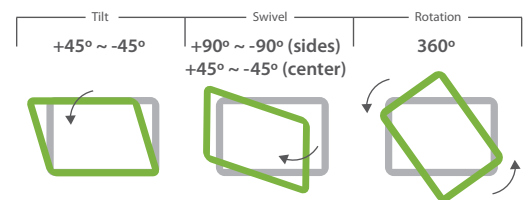

The KPM-321 allows you to reclaim your valuable desktop space, while promoting a more ergonomic posture for your work station or play station. This rugged, black finish mount is constructed of high-grade steel. Its sturdy desktop base offers superb stability on any desk or countertop. A removable VESA plate makes installation much easier by screwing it into your monitor and then sliding it back onto the arm. Its fully articulating mechanism swivels and tilts to change reading angles, and rotates from landscape-to-portrait without having to remove the screen.

Highlights

- Free-standing design for virtually any desk surface
- Triple monitor mount featuring reinforced arms and high-tech welding technology
- Fits three screens of up to 27 inches, each weighing up to 17.6lb
- Extremely robust - made of high-grade steel and premium-quality materials
- Height adjustable mount compatible with VESA
- Full motion arm allows 90° tilt, 180° swivel (sides) / -90° swivel (center), and 360° rotation for superb flexibility
- Hassle-free assembly and installation on any desktop or table
- Includes complete hardware kit
- Cable management clips keep your station organized
