Tilt and swivel mount

for LED/LCD and plasma displays

Enhance your TV experience from many angles

The Klip Xtreme KPM-650 is a robust yet lightweight and space-saving TV mount that fits flat against the wall while leaving enough space for air to flow. Designed for flat panel displays ranging from 10 to 24 inches, and up to 15 kg in weight, this mount is ideal for home cinema use. Featuring a sturdy metal construction, you can easily and securely mount your TV screen against any wall in just minutes!
