

Universal all-in-one travel adapter

with dual USB ports

1 year limited warranty

charging solutions

Energy, everywhere you go!

Klip Xtreme introduces the **KMA-150**, a clever and universal adapter, which is a versatile, simple and secure solution that supplies power and recharges two USB devices at the same time. This power adapter is perfect for travelers as its flexible assortment of plugs ensures compatibility with four different outlets around the world. Portable and lightweight, the adapter plugs directly into any compatible wall outlet, does not block other receptacles and it also provides protection to users thanks to its built-in safety shutters.

Highlights

- AC adapter featuring four international plugs that cover over 150 countries worldwide, with US/UK/EU/AUS/Asia electrical systems
- Dual USB ports for charging two devices simultaneously, with a shared 2.4A output
- Collapsible plugs for easy portability and international travel
