17.6 lb
Max load 8kg (each monitor)

Fits monitors from 13-27 inches vertically and horizontally

VESA compatible 75x75/100x100

Full-motion Tilt 90°/Swivel 90°/Rotation 360°

monitor mount

Cleverly engineered for maximum flexibility and productivity

The **KPM-321** allows you to reclaim your valuable desktop space, while promoting a more ergonomic posture for your work station or play station. This rugged, black finish mount is constructed of high-grade steel. Its sturdy desktop base offers superb stability on any desk or countertop. A removable VESA plate makes installation much easier by screwing it into your monitor and then sliding it back onto the arm. Its fully articulating mechanism swivels and tilts to change reading angles, and rotates from landscape-to-portrait without having to remove the screen.

Highlights

- Free-standing design for virtually any desk surface
- Triple monitor mount featuring reinforced arms and high-tech welding technology
- Fits three screens of up to 27 inches, each weighing up to 17.6lb
