KFB-001BK

A convertible backpack in a pouch

KlipXtreme introduces its new backpack, that folds up small and weights virtually nothing. Made from premium waterproof nylon fabric, it will not rip or fade, while keeping your gear dry. This is a spacious 25 liters backpack featuring top-stitched seams and trendy zippers, which is ideal for the ultralight backpacker, whether a hiker, traveler, student or the avid shopper. With four attractive colors to choose from, there is one that matches your unique style.
