Active noise-cancelling headphones
Bluetooth® compatible

A premium listening experience, no distractions allowed

Armed with world-class noise cancellation technology, these headphones let you indulge yourself in great sound by effectively eliminating ambient noise the moment you switch the ANC on. Perfect for travel, work or walking in a crowded street, they are designed for both, wired and wireless modes without compromising quality. You will appreciate the quiet listening experience that makes every note sounds immaculate every time you wear the headphones. What's more, the built-in microphone allows taking clear calls even in windy or loud environments. Fine-tuned for comfort, they ensure a pleasant listening experience from dawn to dusk, with no interruptions of any kind. Convenient and portable, these headphones are designed not only for saving your desk space, but also for taking them on your next journey while keeping them safe in their carbon fiber hard protective case.

Highlights

- High-definition acoustics delivered through high-power 40mm large-aperture drivers
- Advanced Active Noise Cancellation Technology ANC blocks out unwanted ambient distractions so you can focus on what you want to hear
- Convenient 6-level battery status prompts state the charge level in real time
- Full on-board controls for power, ANC feature, music and phone call management
- Equipped with a lithium-ion battery, they provide extended playback times of up to 16 hours on a single charge
- Built-in microphone allows you to easily switch between playing music and incoming calls
- Engineered for comfort, it comes with 90 degree swiveling ear cups and adjustable headband
- Ultra-soft, pressure relieving leatherette cushions
- Real aluminum frame and quality construction are enhanced by their stylish and lightweight design
- Foldable design for easy portability in its attractive carbon fiber hard protective case

Specifications

Headphone	
Type	Active noise-cancelling headphones
Form factor	Over the ear
ANC reduction	Up to 20dB
Driver unit	Φ40mm
Maximum power output	20mW
Frequency	20Hz-20,000Hz
Impedance	32Ω ± 15%
Sensitivity	105 ± 3dB/mW (S.P.L at 1kHz)
Color	Charcoal
Microphone	
Form factor	Built-in
Directivity	Omnidirectional
Frequency	20Hz-10,000Hz
Impedance	32Ω
Sensitivity	105dB at 1kHz
Connectivity	
Connection type	Bluetooth® compatible and 3.5mm
Wireless RF frequency	2.4GHz
Bluetooth® profiles	A2DP, AVRCP, HFP, HSP
Wireless range	33ft
Battery	
Type	Lithium-ion, 300mAh, 3.7V cell
Charging time	2 hours
Run time	16 hours at 50% volume (ANC off) 8 hours at 50% volume (ANC on)
Additional information	
Dimensions	7.5x6.5x1.9in
Weight	12.1oz
Cable length	3.9ft
Warranty	One year
